

One^{luz} 3periodos

Thank you very much for enquiring about our offers.

By subscribing to **Tarifa One 3 Periodos** you will enjoy our best online price and you will can manage everything in internet.

0 €/kWh

The consumption of your first month, only valid for new customers.

10 %

One year discount on the energy term only valid for new electricity contracts.

Prices

Prices for contracted powers up to 15 kW. Prices do not include taxes

Power term €/kW and year	33,080628 8,196888	On-peak Off-peak		
Power Unit €/kWh	Promoted price 0,213300 0,163800 0,130500	On-peak Med-peak Off-peak	Non-promoted price 0,237000 0,182000 0,145000	On-peak Med-peak Off-peak

This offer requires subscribing online or via the Endesa App, signing up to the e-billing service, paying your bills by direct debit and carrying out all your processes online or via the Endesa App. Failure to comply with these conditions for the duration of the contract could entail the loss of the advantages associated with this offer.

Any variations to the regulated components that are applicable and new ones that may appear, shall be transferred to the customer both upwards and downwards. Any other charges made by the distribution company such as reactive energy, lease of metering equipment, rights, etc. shall also be transferred to the customer. Likewise, the power terms and power units may be updated on 1 January each year, in accordance with the real value of the CPI (Last General Inter-Annual National Consumer Price Index published officially at the time of the update).

The regulated cost associated with the financing mechanism of the social rate will be added to the prices: Fixed cost per customer (commercialization) of 0.03845461€/day (Peninsula and Balearic Islands: 0.04057923€/day taxes included for powers lower than 10kW and, for the rest of cases, 0.04676273€/day taxes included; Canary Islands: 0.03864689€/day taxes included for powers lower than 10kW and domestic customer and, for the rest of cases, 0.03980629€/day taxes included; Ceuta and Melilla: 0.03903336€/day taxes included)

For peninsular supply points, the regulated cost of financing the gas ceiling established in RDL 10/2022 will also be added to the electricity prices. This measure approved by the Government establishes a cap on the cost of gas that is applied to the generation of electricity, and among other aspects, supposes an additional regulated cost to finance the measure itself. This regulated cost will be included in the invoice under the concept "Cap cost of gas RDL 10/2022".

Times: The time periods correspond at all times with those of your access tariff.

From Monday to Friday, valley hours are considered 0-8h; Point of 10-14h and 18-22h; and the rest of hours are Llano. Weekend's hours are considered valley.

Electricity shall be billed according to the consumption as indicated by the distribution company pursuant to the hourly curve load. If this curve is not available at the time of billing for the electricity, this shall be distributed hourly by the distribution company using the estimated consumption pursuant to the official public consumption profile published by Red Eléctrica de España (www.ree.es) for the relevant access tariff. You can check the curve applied to each invoice at www.endesaclientes.com.

Customer can choose between monthly and bimonthly invoicing (by default monthly, unless the supply was already in Endesa, in which case the previous periodicity will be respected).

First hours, since contract activation, to 0 €/kWh. Check at www.cambiateaendesa.com.

The first invoice that is issued each year, whose billing cycle contains the anniversary date of the contract activation date, will benefit from the first 720 hours of electricity at 0€/kWh, as long as the offers that you contracted for this promotion remain active.
