This offer requires subscribing online or via the Endesa App, signing up to the e-billing service, paying your bills by direct debit and carrying out all your processes online or via the Endesa App. Failure to comply with these conditions for the duration of the contract could entail the loss of the advantages associated with this offer.

Any variations to the regulated components that are applicable and new ones that may appear, shall be transferred to the customer both upwards and downwards (Accordingly, the consumption profile considered shall be P1=28%, P2=26% and P3=46%).

Likewise, the power terms and power units may be updated on 1 January each year, in accordance with the real value of the CPI (Last General Inter-Annual National Consumer Price Index published officially at the time of the update).

Customer can choose between monthly and bimonthly invoicing (by default monthly, unless the supply was already in Endesa, in which case the previous periodicity will be respected).

First hours, since contract activation, to 0 €/kWh. Check at [www.cambiateaendesa.com](http://www.cambiateaendesa.com).

In order to enjoy the promotion, it will be a necessary requirement to maintain the contracts included in the promotion (electricity, gas and / or service) during a year. Otherwise, Endesa may charge you, for the consumption made during the promoted hours, at the price indicated for the energy term.

The first invoice that is issued each year, whose billing cycle contains the anniversary date of the contract activation date, will benefit from the first 720 hours of electricity at 0€/kWh, as long as the offers that you contracted for this promotion remain active.

Any other charge that the distributor may make, which is not expressly reflected in this document, will be transferred to the client. For example, excess power, reactive energy, rental of metering equipment, rights, etc.
