- It includes **annual periodic inspection of the individual gas installation and heating system (boiler, hydraulic circuit and radiators) or domestic hot water (heater)** in your home, to make sure the installation is always ready.
- Scheduled inspections enable you to **extend the useful life** of your boiler or heater, which will work as efficiently as possible, thus optimising consumption, which will contribute to **savings in your gas consumption**.
- It enables you to comply with **current regulations** that require the installation and the gas equipment to be inspected.
- Also, if there is a **breakdown in your heating or domestic hot water system**, you can contact our technical service on the freephone 900 85 86 85 (24 hr) and a technician will visit your home within 3 hours of your call.
Travel expenses and the **first 3 hours of labour** are included in the service (if more than 3 hr of labour or a spare part are required, the technician will provide the client with a free quote and without obligation).
- Offer valid for piped natural gas supplies in mainland Spain and the islands of Majorca and Ibiza, with access tariffs RL.1, RL.2 ó RL.3. The installation and the elements thereof shall comply with existing legislation and shall be accessible.
- The Service is contracted for a period of one year and is automatically renewed for annual periods.
