Repair service for the gas installation, for domestic and individual use.

- Offer valid for piped natural gas supplies in mainland Spain and the islands of Majorca and Ibiza, with access tariffs RL.1, RL.2 ó RL.3 from domestic customers (except foreign non-resident customers).

Repair service: Free phone 900 85 86 (24h). Assistance within 3h hours (365d/24h). Includes travel costs and 3h of labour (if more than 3h of labour are required or a specific part, the technician will provide the customer with a non-binding estimate free of charge). Two assists per year are included.

Includes at no additional cost an insurance for the protection of payments of gas supply bills. Protects your family from the most immediate payments for supply in the event of: death by accident, total and permanent disability, temporary disability/hospitalisation due to accident or illness and involuntary loss of employment. Payment protection would give the customer up to 500 euros. Phone 800 00 95 56.

For the customer, the detailed coverages are conditioned to have an active gas supply contract with Endesa Energía, S.A.U., at the same address of the Service.

The Service is contracted for a period of one year and is automatically renewed for annual periods.
