1. Appointment of External Auditor:

The Audit and Compliance Committee shall refer proposals to the Board of Directors for the selection, appointment, reappointment and removal of the statutory auditor, taking responsibility for the selection process, in accordance with the provisions of applicable regulations, as well as for their terms of engagement. In this regard, the Audit and Compliance Committee shall:

- a) Submit a recommendation on the appointment of statutory auditors or audit firms to the Board of Directors.

These recommendations shall, except as regards renewal of an audit engagement, be justified and contain at least two proposed auditors. The Audit and Compliance Committee must indicate which auditor is preferred and justify its opinion.

The Audit and Compliance Committee shall state in its recommendation that the auditor is free from third party influences and not subject to any provision that would limit appointment of the auditor by the General Shareholders' Meeting.

Except as regards renewal of an audit engagement, the Audit and Compliance Committee's recommendation shall be prepared following a selection process organized by the Company, and implemented by the Audit and Compliance Committee, in accordance with the criteria established in the regulations in force from time to time.

- b) Encourage the Endesa Group's External Auditor to accept responsibility for auditing of all of the companies within the group.

- d) Monitor compliance with the audit agreement, regularly receiving information from the External Auditor on the audit plan and on the results of its implementation as well as on any other topics related to the account auditing process.
- e) Verify that the Company reports any change in External Auditor to the Spanish Securities Market Commission (*Comisión Nacional del Mercado de Valores - CNMV*),

including a statement on any potential conflicts with the outgoing auditor and, if any, the content thereof.

- f) In the event the External Auditor resigns, the Committee shall examine the circumstances leading thereto.
2. Engagement of the External Auditor to provide non-Audit services:

 - b) The Audit and Compliance Committee shall approve a policy for engaging the External Auditor to provide non-Audit services.
3. Independence of the External Auditor:

In this regard, the Audit and Compliance Committee shall:

- a) Receive an annual statement from the External Auditors on their independence in relation to the company or any of its directly or indirectly related entities. This report shall include detailed and itemized information on additional services of any nature that were provided together with the applicable fees received from such entities by either the External Auditor or other persons or entities related thereto, in accordance with the applicable regulations governing statutory auditing;
- b) Issue an annual report, prior to publication of the auditors' report, expressing an opinion on whether the independence of the statutory auditors or audit firms has been compromised. This report shall, in any case, include a justified assessment of each of the additional services referred to in the preceding paragraph, accounted for both on a stand-alone and collective basis, which were provided apart from the legal auditing and in relation to independence requirements or regulations governing statutory audit activities;
- c) Gather from the Administration, Finance and Control Department, the Internal Auditing Department and the statutory auditor any information which may be relevant to the independence of said statutory auditor.

The provisions set forth herein above shall be interpreted notwithstanding any statutory audit regulations.

4. Review of audit work:

Once the audit has been completed, the external auditor shall submit the additional report

to the Audit and Compliance Committee detailing the results of the audit carried out (Article 11 of Regulation (EU) No. 537/2014, of April 16), and the Committee shall review, with the external auditor, all significant findings identified during the audit, and the contents of the audit report and the additional report to the Committee.

5. Final assessment of the performance of the External Auditor:

In order to meet all of its oversight duties, the Audit and Compliance Committee shall complete a final assessment of the auditor's performance, addressing its contribution to the quality of the audit and the comprehensiveness of the financial information.

If based on this assessment of the auditor the Audit and Compliance Committee has unresolved concerns regarding the quality of the audit, the Committee shall consider notifying the Board of Directors and, if appropriate, shall notify such circumstance to the relevant oversight bodies.

6. Reporting to the General Shareholders' Meeting:

The Audit and Compliance Committee shall report the audit findings to the General Shareholders' Meeting, explaining how the audit has contributed to the integrity of the financial information and about the involvement of the Committee in this process.

In those cases in which the statutory auditor has included any reservation in the auditors' report, the Chairman of the Audit and Compliance Committee shall report the Committee's opinion on the contents and scope of such reservation to the General Shareholders' Meeting and shall make available to the shareholders, at the time the Notice of General Meeting is issued and together with the remaining Board proposals and reports, a summary of such opinion.
