1. Unless otherwise indicated by the shareholder appointing a proxy, the proxyholder shall be deemed to have specific instructions to vote in favor of all proposals made by the Board of Directors on the Agenda items for the meeting. 2. In the event that the person to whom the proxy is delegated is not named, said proxy shall be deemed to be granted to the Chairman of the Board of Directors.
3. If the proxyholder so appointed is legally subject to a conflict of interest in voting on any of the proposals submitted to the General Shareholders' Meeting, whether included on the agenda or not, and provided no specific voting instructions were issued or, if despite having such instructions, the proxyholder wishes not to represent the shareholder with regard to the items with which there is a conflict of interest, the proxy shall be deemed to be delegated to, unless otherwise specified by the appointing shareholder, the Chairman of the General Meeting and, if the Chairman also has a conflict of interest, to the Secretary of the General Meeting and, if the Secretary has a conflict of interest, to the person appointed by the Board of Directors.
4. Likewise, the delegation of powers extends to topics that may be submitted to a vote of the General Shareholders' Meeting even though they are not included on the agenda for the meeting. In this case, and except as indicated otherwise by the appointing shareholder, the proxyholder shall exercise the vote in the sense he/she deems most convenient to the interests of the appointing shareholder.

During this time period, the shareholders and proxyholders may also submit any interventions and/or proposed resolutions that, in accordance with the Capital Corporations Law, they intend to submit. This pre-registration is a mandatory requirement for shareholders and proxyholders to be able to connect and remotely participate in the Meeting.

Following pre-registration, on the day of the Meeting (28 April 2023, starting at 12:00 p.m.), shareholders and proxyholders who wish to participate in the meeting must connect or register between 10:00 a.m. and 11:30 a.m. in order to be considered present and to be included on the attendance list. Any shareholder or proxyholder that connects after the established deadline will not be considered present. Shareholders and proxyholders who attend the Meeting remotely may vote during the Meeting by using the computer application on the Company's website.

In all other matters not expressly addressed herein, the same rules on voting and passing resolutions as provided for in the General Meeting Regulations for physical attendance at the Meeting shall apply to the shareholders who attend the Meeting remotely.

VIII. GENERAL AND PRIORITY RULES BETWEEN PROXY, DISTANCE VOTE AND PHYSICAL OR REMOTE ATTENDANCE AT THE GENERAL MEETING

1 Deadline for receipt by the Company of distance proxies and votes before the Meeting is held

In order to be valid and in accordance with the provisions of the General Meeting Regulations, both long-distance proxies and votes (whether submitted electronically or by post) shall be received by the Company before 12:00 p.m. on 27 April 2023. Otherwise the proxy shall be deemed not to have been granted and the vote not cast, unless as received following said deadline, but prior to the holding of the Annual General Shareholders' Meeting, such that they can be properly verified and counted.

2 Priority rules between proxy, distance vote, physical attendance and remote attendance at the Meeting

2.1 Priorities between proxy, distance vote and remote or physical attendance

Personal or remote attendance at the Annual General Shareholders' Meeting by a shareholder who had previously granted proxy or voted remotely, no matter the means used to cast the vote or grant proxy, shall render the said proxy or vote null and void. Attendance in person shall have the effect of rendering remote attendance null and void.

A vote, regardless of the manner in which it was cast, will render any proxy granted ineffective, whether granted electronically or by means of a printed card. If the proxy was granted before the vote was cast, the proxy will be considered revoked, and if granted subsequently, it shall be considered void.

2.2 Priorities between proxies

In the event that a shareholder validly appoints several proxies, the last proxy received by the Company shall prevail.

2.3 Priorities between distance votes prior to the Meeting

In the event that a shareholder validly casts more than one distance vote, the last vote received by the Company shall prevail.

2.4 Direction of the remote vote during or prior to the Meeting

A shareholder who wishes to cast a long-distance vote (through electronic means or by post) must indicate the specific direction of his/her vote for each agenda item. If no specific direction is indicated for any of the agenda items, the vote shall be deemed to be made in favor of the proposals submitted by the Board of Directors on such agenda items, as drafted thereby.

2.5 Other provisions

In the event that electronic means are employed, prior to the holding of the General Meeting, only one electronic action per type of operation (one vote and one proxy) is allowed.

Disposal of the shares conferring the attendance right acknowledged by the Company before the Meeting will result in both distance proxies and votes being considered null and void.

3 Special rules

All shareholders who are legal persons as well as shareholders not resident in Spain should contact the **Shareholder Relations Line (900 666 900)** to discuss the possibility of, as the case may be, adapting the long-distance voting and proxy mechanisms to their needs while still providing adequate guarantees.

Furthermore, shareholders who are legal persons shall be required to notify the Company of any change or revocation in the powers held by its representative. Endesa disclaims any and all liability until such notice is given.

Any of the joint holders of a share pool may remotely attend, vote or grant proxy, and the rules on priority established in section 2 above shall apply as among them. For the purposes of Article 126 of the Capital Corporations Law, it shall be construed that the

joint holder who, from time to time, performs an action (voting directly or by proxy, or physical or remote attendance), has been appointed by the rest of the joint owners to exercise their shareholder rights. In these cases, the first of the holders registered (physical or remote) at the meeting shall be considered the attendee. In relation thereto and for the purposes of Article 126 of the Capital Corporations Law, it shall be construed that the joint holder first registered (physically or remotely) at the meeting shall be the one appointed by the remainder of the joint owners to exercise their shareholder rights.

IX. TECHNICAL INCIDENTS

Endesa reserves the right to modify, suspend, cancel or restrict the remote attendance or electronic voting and proxy mechanisms when so required for technical or security reasons, notwithstanding the implementation of such measures as required in each situation, including but not limited to the possible temporary suspension or extension of the Meeting if necessary to ensure the full exercise of the rights of the shareholders or their proxyholders.

Endesa shall not be liable for any damages which may be caused to a shareholder arising out of breakdowns, overloads, dropped lines, failed connections, malfunctioning of postal service or any other circumstances of a like or similar nature which are beyond Endesa's control and which prevent the use of the long-distance voting and proxy mechanisms.

The shareholder is exclusively responsible for the custody of his/her electronic signature for the purposes of participating in the Meeting.

X. ELECTRONIC SHAREHOLDER FORUM

In accordance with current regulations, an Electronic Shareholder Forum has been set up (www.endesa.com). Use of the Forum shall conform to the legal purpose and the guarantees and rules of operation set forth by the Company. Duly entitled shareholders and shareholder associations may access the Forum.

XI. PROCESSING OF PERSONAL DATA

The personal data submitted by the shareholders to exercise or grant proxy over their rights of attendance and voting at the General Meeting or which are furnished by banking institutions and stock brokers and dealers with whom said shareholders have their shares deposited, through the entity legally qualified to carry out the book-entry records (IBERCLEAR), shall be processed by the Company, as Data Controller, for the purposes of managing the Meeting notice and holding of the Meeting. The foregoing shall be carried out in accordance with legal obligations.

All or part of the General Meeting may be recorded and made available to the public on the Company's website and/or through accredited media. As such, during the course of the General Meeting, it is expected that the full name and number of shares of the shareholders who intervene in the meeting may be publicly disclosed. The legal basis for both the recording and disclosure of the image and/or voice of the individuals participating in the General Meeting, as well as for the public disclosure of certain personal data on shareholders who pose questions at the meeting, is the legitimate interest of the Company, as well as compliance with the rules and general principles of transparency and best corporate governance.

In the event the shareholder includes personal data regarding other natural persons in the proxy or remote voting card, the shareholder must notify such persons of the provisions of this legal data protection notice and shall comply with any other requirements as applicable for the proper disclosure of personal data to the Company, without the latter being required to take any additional action in terms of information or consent. The shareholders are responsible for the accuracy of the data provided, as well as for informing the Company of any changes to such data.

The shareholders' personal data will be held for the duration of their condition as such and provided removal or deletion thereof has not been requested, provided however that such conservation is appropriate, relevant and restricted to the extent necessary for the purposes for which said data is being processed. As soon as such data is no longer required for such purpose, the data shall be stored and blocked during the period in which they may be required for the exercise or defense of administrative or legal claims and may only be unblocked and reprocessed for such purpose. After this period the data will be permanently deleted.

The data will be provided to the Notary Public attending the General Meeting in accordance with the legal provisions. Likewise, such data may be transferred to third parties in exercise of the right to information established by law.

You can exercise your rights of access, correction, removal, limitation of processing and transferability of data in those cases and to the extent provided by applicable regulations from time to time. To exercise these rights, you may send a written communication specifying your request, along with a photocopy of any document evidencing your identity, to the Company's Board Secretariat, located at C/ Ribera del Loira, no. 60, 28042, Madrid; by sending an email to accionistas@endesa.es; or by calling the following toll-free number: 900 666 900.

You are also hereby informed of your right to file a claim before the Spanish Data Protection Agency (*Agencia Española de Protección de Datos*).

Endesa, S.A. has appointed a Data Protection Officer who can be contacted by email at dpo@endesa.es. Please contact the Data Protection Officer if you have any questions or concerns regarding the legitimacy or purposes for which your personal data is being processed.
