

In accordance with article 228 of the Securities Market Act, Endesa, S.A. hereby reports the following

SIGNIFICANT EVENT

As part of its strategy to analyse potential investment opportunities in Spain, Endesa, S.A. has entered into talks with Enel, S.p.A. concerning the potential acquisition of sixty percent of the share capital of Enel Green Power España, S.L. Endesa already holds the remaining forty percent of this company's capital.

It is not currently possible to predict whether these talks will actually result in a purchase agreement which, if reached, would be duly reported to the market. In any event and pursuant to prevailing legislation, any resolutions affecting Endesa, S.A. in negotiations of this type are solely adopted by Endesa's independent directors, without the involvement of the other members of its board of directors.
