Binding vote on the Annual Report on Directors Compensation for 2017.

Approve the Annual Report on Directors Compensation (Fiscal Year 2017).

AGENDA ITEM 10

Approval of the Directors Compensation Policy for 2018–2020.

In consideration of the reasons stated in the relevant specific report of the Appointments and Compensation Committee and, in particular, with a view to building transparency as relates to compensation, approve the Directors Compensation Policy for 2018–2020, under the terms set forth in the document made available to the shareholders on the Company's website as from the publication date of the meeting notice.

AGENDA ITEM 11

Approval of the Loyalty Plan for 2018–2020 (including amounts linked to the Company's share value), insofar as ENDESA, S.A.'s Executive Directors are included among its beneficiaries.

Approve the long-term variable compensation plan referred to as the "Loyalty Plan, 2018–2020 Program" (the "2018–2020 Program"), which includes amounts linked to the Company's share value, insofar as ENDESA, S.A.'s Executive Directors are included among its beneficiaries, with the following key characteristics:

- 1. The Loyalty Plan sets forth a long-term compensation scheme aimed at strengthening the alignment of high-responsibility executives with the Company's strategic objectives.***
- 2. The Loyalty Plan applies to the Chairman, Chief Executive Officer and all other executives of the Endesa Group holding strategic responsibility, as determined by the Board of Directors.***

3. The period for performance will be three years from 1 January 2018, for the 2018–2020 Program.

4. Accrual of the variable compensation under the 2018–2020 Program is subject to compliance with three targets during the accrual period:

a) Performance of Total Shareholder Return (TSR) of ENDESA, S.A. in relation to the TSR performance of the selected benchmark, i.e. the Euro-Stoxx Utilities Index. This parameter will be weighted at 50% of the total incentive for the 2018–2020 Program.

b) Target for the cumulative Return on Average Capital Employed during the accrual period. This parameter, which measures performance of capital employed without taking into account the financial structure of the Consolidated Group, is weighted at 40% of the total incentive for the 2018–2020 Program.

c) Reduction of Endesa's CO₂ Emissions. This parameter will be weighted at 10% of the total incentive for the 2018–2020 Program.

A threshold level beyond which the target is considered met up to 50% and two performance levels for targets that have been overachieved is established for each target - performance beyond the first level equals 150% and performance beyond the second level constitutes maximum achievement of 180%. Therefore, variable compensation levels under the 2018–2020 Program will range from 0%–180% of the incentive base (target equals 100% achievement).

If ENDESA, S.A.'s TSR is negative during the relevant three-year reference period, the reward earned by the managers will be reduced (following a regressive curve) by an amount equal to ENDESA S.A.'s negative TSR percentage multiplied by a constant value of 1.5.

5. The target assigned to each beneficiary under the 2018–2020 Program will be as provided in their individual contracts, if addressed therein, or otherwise, in the relevant Group policy defining different target percentage levels based on the level of responsibility.

The target for the Chairman is €568,400 and the target for the Chief Executive Officer is €518,000.

6. Payment of variable compensation accrued under the 2018–2020 Program will be made in cash and subject to the payment and deferral rules established by the Board of Directors, as well as to the relevant malus and clawback clauses.

It is resolved to delegate to the Board of Directors, with express power of substitution, the authority to implement at the time and in the manner it deems convenient, formalize, amend and execute the 2018–2020 Program, adopting all resolutions and executing as many public or private documents as may be necessary or convenient to ensure the full effectiveness thereof, with the power to change, rectify, amend and supplement and, in general, to adopt any resolutions and perform any actions necessary or merely convenient for the effective implementation and operation of the 2018–2020 Program, including but not limited to, the following powers:
